

DEPARTMENT OF CHEMICAL SCIENCES

State Level Workshop on Elements of Periodic Table at Department of Applied & Interdisciplinary Sciences (IICISST) Dt. 30/12/2019

A State Level Workshop on Elements of Periodic Table was organized on 30th December-2019 at Department of Applied & Interdisciplinary Sciences (IICISST) of Sardar Patel University, Vallabh-Vidyanagar. Total 20 students of T.Y. B.sc. Chemistry have participated in the Poster presentation competition. Students have participated enthusiastically and two students of F. Y. B. Sc. Namely **Akshata Shetty and Ayushi Gupta received the first prize in Model making** competition. Following is the list of Participated Students.

Sr. No.	Name	Roll Number
1.	Apurvakumar J. Patel	687
2.	Pankhil R. Suthar	656
3.	Darshan M. Patel	688
4.	Prashil B. Shah	678
5.	Kesha H. Shah	718
6.	Krishna V. Zala	677
7.	Priyamvda U. Singh	667
8.	T. K. Shruti Nair	686
9.	Bansi V. Kotadia	658
10.	Vishal R. Katariya	727
11.	Kunjal V. Joshi	716
12.	Prachi Bhatt	707
13.	Astha Patel	666
14.	Srujan R. Vaghela	690
15.	Tirth C. Patel	689
16.	Parth P. Vyas	695
17.	Nandan Amin	657
18.	Krupa D. Joshi	672
19.	Disha P. Patel	669
20.	Preeti A. Pal	713

Industrial Visit with TY BSc students at Champion Paints, New Vallabhvidyanagar Dt. 27/07/2019 & 21/09/2019

An industrial visit was organized at Champion coatings Pvt. Ltd. For B. Sc. (CHEMISTRY) 5th Semester students under the able guidance of Dr. Shveta Joshi, Head of the Chemical Science Department. Half of the T.Y. B.Sc. students have visited on the 27/07/2019 and half of the students have visited on the 21/09/2019. Total 120 students have visited the industrial visit along with the three accompanying teacher Dr. Bhavin Patel, Dr. Ketul Patel and Dr. Nirav Sapariya. The entire visit was very interesting for the students and teachers too.

**Industrial Visit with TY BSc students at DURAVIT PVT. LTD. At
Tarapur Dt. 10/01/2020**

An industrial visit was organized at DURAVIT Pvt. Ltd. For B. Sc. (CHEMISTRY) 6th Semester students under the able guidance of Dr. Shveta Joshi, Head of the Chemical Science Department. Dr. Sandeep Soni, General Manager of the DURAVIT had Guide the students about the different departments run in the company and Awarded them about the products of the same. Around about 51 students have visited the industrial visit along with the three accompanying teacher Dr. Shveta Joshi, Dr. Nirav Sapariya and Mr. Ravish Patel. The entire visit was very interesting for the students and teachers too.

National Level Seminar on Applications of Mathematics at Department of Mathematics, NVPAS Dt. 07/01/2020

A National Level Seminar on "Applications of Mathematics" was organized on 30th December-2019 at Department of Mathematics of Natubhai V. Patel College of pure and Applied Sciences, Vallabh-Vidyanagar. Total 16 students of T.Y. B.sc. Chemistry have participated enthusiastically in the national level seminar. Following is the list of Participated Students.

Sr. No.	Name	Roll Number
1.	PATEL ATUL M.	660
2.	KRUPA D. JOSHI	672
3.	PATEL JEET J.	675
4.	PATEL HITESHRI D.	676
5.	PUNVRAR KEYURRAJ V.	684
6.	CHRISTINABEN M. KHRISTI	671
7.	RUTVIK N. TARAVALA	685
8.	SMIT R. VANZA	639
9.	PANKIL R. PATEL	686
10.	VYAS PARTH PRATIK	695
11.	AMIN NANDANKUAMR K.	657
12.	KESHABEN H. SHAH	718
13.	PRASHIL P. SHAH	688
14.	YATINKUMAR J. PATEL	661
15.	SANGDOT DIGVIJAYSINH N.	674
16.	NEHA C. RAMCHANDANI	737

Guest Lecture by Mr. Narendra Patel

Dt. 07/08/2019

A guest lecture was organized on 07th August, 2019 by Mr. Narendra Patel in room no. 304 for the T.Y. Chemistry students under the able guidance of Dr. Shveta Joshi, Head of the Chemical Science Department. Mr. Narendra has introduced students about how the theoretical knowledge can be applied via practical approach in a very good manner. All the students of T.Y. B.Sc. Chemistry along with the staff members were participated in his talk.

Guest Lecture by Dr. R. I. Bhatt on Wave Mechanics
Dt. 12 & 14-September-2019

A guest lecture based on Wave Mechanics was organized on 12th & 14th September, 2019 by Dr. R. I. Bhatt in class room No. 302 for the T.Y. Chemistry students of NVPAS under the able guidance of Dr. Shveta Joshi, Head of the Chemical Science Department. During the two sessions, Dr. Bhatt has addressed the students regarding the applications and importance of different theories based on the wave mechanics. All the students of T.Y. B.Sc. Chemistry along with the staff members were participated in his talk.

Alumni Lecture by Mr. Suvasis Sarkar
Dt. 20/07/2019

An alumni lecture was organized on 20th July, 2019 by Mr. Suvasis Sarkar in NVPAS auditorium for the T.Y. Chemistry students under the able guidance of Dr. Shveta Joshi, Head of the Chemical Science Department. Mr. Suvasis has given brief introduction about the Quality analysis and Quality control department run in industry. Dr. Basudeb Bakshi has graced the occasion for the same. All the students of T.Y. B.Sc. Chemistry along with the staff members were participated in his talk.
